

<b>SUBJECT:</b> Video Surveillance	<b>CATEGORY:</b> Health and Safety	<b>NO.</b> 603
---------------------------------------	---------------------------------------	-------------------

**PREAMBLE**

The Saskatchewan Institute of Applied Science and Technology is committed to implementing measures to safeguard its campus communities and property.

**POLICY**

Each SIAS campus has an approved site-specific video surveillance program that complies with *The Local Authority Freedom of Information and Protection of Privacy (LA FOIP) Act*. Video surveillance will supplement other safety measures to aid in the prevention of on-campus assaults, acts of vandalism and occurrences of theft, and to assist in the possible identification and apprehension of offenders. Campus security, including video surveillance monitoring, is the responsibility of the office of the campus manager, health, safety and security.

**PROCEDURE**

Refer to the Video Surveillance Program, which is posted on the Campus tab of mySIAS, or contact the offices of the campus manager, health, safety and security for further information.
