

CONGRATULATIONS!

FROM **SASKATCHEWAN POLYTECHNIC**

PRESIDENT'S MESSAGE

Welcome to the Convocation Ceremony for Saskatchewan Polytechnic!

I am honoured to share this special occasion with you, our graduates, your family and friends, and with our faculty and staff. Completing your studies and convocating today are important milestones on the threshold of a new and rewarding time in your career.

Saskatchewan Polytechnic is characterized by our adventurous spirit, openness, and willingness to embrace bold initiatives. Our unique educational programs, applied research and employer relationships set us apart from other educational institutions – in Saskatchewan and Canada. We are student-focused and employer-driven, supporting economic and social growth in our great province. Your education builds on these strengths and sets the stage for even greater accomplishments.

Thank you for choosing Saskatchewan Polytechnic. I wish you every success as you embark on the next stage of your journey, and I hope you will maintain your connections with our alumni office. I encourage you to join and make your relationship with Saskatchewan Polytechnic lifelong.

Congratulations and best wishes,

Dr. Larry Rosia
President and CEO

PROVOST'S MESSAGE

It is a pleasure to welcome you to today's convocation ceremonies. Convocation is a time when faculty, staff, friends and family come together to recognize and honour all of our graduates and their dedication to their studies.

Graduating is one of life's major milestones and everyone at Saskatchewan Polytechnic is proud of each and every one of our graduates. Their hard work, patience and perseverance has allowed them to achieve this academic success and reach their educational goals.

You have overcome many hurdles to get here today. Along the way you have gained the necessary skills and abilities to continue to find success as you move forward through life. Your time spent studying at Saskatchewan Polytechnic will prove to be invaluable as you embark on the next stage of your career journey.

In closing, I would like to share a short quote:

"Pause to consider the gifts you have been given, the difference you have made and the direction in which you are headed." Author Unknown

Best wishes on whatever path you choose,

Dr. Anne Neufeld

Provost and Vice-President, Academic

ALUMNI MESSAGE

The path from student to graduate is a unique journey filled with opportunity and accomplishment, pride and joy, and growing and learning. We are thankful your journey included Saskatchewan Polytechnic and are proud of your success. Congratulations on achieving this educational milestone and welcome to our dynamic and diverse community of alumni across the province. Today you join our alumni network, an important contributor to Saskatchewan's economy. You are now part of a network that reaches into every corner of Saskatchewan, across our country and around the globe.

Welcome to the Saskatchewan Polytechnic alumni community. You will always have a place here, and we hope that as your career advances you remain on the road of lifelong learning.

Congratulations on your achievement,

Pam McLellan

Director, Donor and Alumni Relations
Saskatchewan Polytechnic

BOARD OF DIRECTOR'S MESSAGE

Congratulations on a job well done.

Convocation means "calling together," and this is a time and place to recognize and celebrate your educational accomplishments with your peers, mentors, supporters, family and friends.

Today we celebrate your hard work and honour your effort and accomplishments of the past several months and years. But this is not the end of your relationship with Saskatchewan Polytechnic. In the future we look forward to welcoming you again - as alumni, instructors, employers, mentors, parents, supporters and friends. Today is the start of lifelong learning and we look forward to your future contributions to Saskatchewan's economy and communities.

Congratulations and best wishes,

Ralph Boychuk

Chair, Saskatchewan Polytechnic Board of Directors

HONORARY DIPLOMA RECIPIENT

Highly regarded as a business leader in Saskatchewan, **Dr. Karim "Kay" Nasser** has his roots in the mountains of Lebanon, where he was born and raised. After travelling the world to gain an education, Dr. Nasser and his wife Dora decided to settle down in the Canadian prairies after he received his PhD at the University of Saskatchewan. He is an educator, inventor and engineering leader, focused on improving how people live, work and play in Saskatoon.

Following a belief that time spent learning is valuable time, Dr. Nasser creates meaningful student experiences in any way he can. He and his family support students in Saskatchewan and helped them meet their educational goals through dedicated financial support for nearly 50 years.

MORE UNDERGRADS GRADUATE FROM
SASKATCHEWAN POLYTECHNIC EACH YEAR
THAN FROM ANY OTHER POST-SECONDARY
INSTITUTE IN THE PROVINCE.

ORGANIZATIONAL PROFILE

Saskatchewan Polytechnic serves 27,000 distinct students through applied learning opportunities at campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and through extensive distance education opportunities. Programs serve every economic and public service sector. As a polytechnic, the organization provides the depth of learning appropriate to employer and student need, including certificate, diploma and degree programs, and apprenticeship training. Saskatchewan Polytechnic engages in applied research, drawing on faculty expertise to support innovation by employers, and providing students the opportunity to develop critical thinking skills.

VISION

By 2020, our expertise in responsive applied education and research that meet student and market needs will make us globally recognized as the first-choice polytechnic in Canada.

VALUES

RESPECT

We care about one another and about our workplace. We foster an open and inclusive environment that embraces diverse cultures, heritages and opinions; we learn, work and support each other as one team.

INTEGRITY

We are committed to being accountable and transparent. We are honest with one another. We hold ourselves to high standards of ethical behavior and take responsibility for our actions.

EXCELLENCE

We go above and beyond what is normally expected to achieve excellence in our teaching, in our programming, in our learning and in our services. We accomplish this by maintaining high standards, strong competencies, committed partnerships and by being responsive and accessible.

SUSTAINABILITY

We work, live and learn in a socially and environmentally responsible manner. We support the health, safety and overall well-being of our students, employees and partners. We are conscientious stewards of our resources and continuously look for entrepreneurial and creative ways to strengthen and improve our organization. These considerations underlie all our actions, behaviours and decisions.

CONGRATULATIONS, YOUR TOMORROW HAS ARRIVED!

ACADEMIC DRESS

Along with the academic tradition of black gowns, Saskatchewan Polytechnic grads wear v-stoles in the colour selected for each school. Other members of the platform procession wear the gown and v-stole, hood, or in some instances, a hat or mortarboard representing a credential they have received or the Saskatchewan Polytechnic v-stole that represents the school in which they teach.

PATHWAY TO A POLYTECHNIC

HIGHLIGHTS FROM THE HISTORY OF SASKATCHEWAN POLYTECHNIC.

To review the full historical timeline, please visit saskpolytech.ca/history

1987

The Government of Saskatchewan announced major revisions to its post-secondary educational system. Efforts immediately began to amalgamate urban community colleges, the Advanced Technology Training Centre and technical/vocational institutes across Saskatchewan.

2005

The Aboriginal council was established to provide advice and recommendations on strategies for the recruitment, retention and success of students and staff of Aboriginal ancestry.

2009

Approval received for a new nursing degree program to be jointly offered with the University of Regina.

Received eligibility to apply for research grants through the Natural Sciences and Engineering Research Council of Canada (NSERC).

Unveiled four state-of-the-art wireless patient simulators at its campus in Regina. Was the first in the world to receive the wireless model - METIman.

1988

The Saskatchewan Institute of Applied Science and Technology (SIAST) came into existence through provincial legislation proclaimed January 1, 1988.

 **SIAST**

2006

A \$1.6 million, 99-square-metre Mobile Training Lab was unveiled in Prince Albert to expand provincial trades training capacity and increase access by taking shop facilities and instructors to remote and rural areas of Saskatchewan.

1997

A major reorganization took place with the goals of effective and efficient provincial coordination, a province-wide perspective and a provincial capacity to create partnerships with government, industry and communities.

2008

Launched its Simulation Learning Centre, a \$1.05 million reality-based health-care lab.

2010

NSERC approved a \$200,000 grant application from the Chemical Technology program to seek wastewater treatment solutions.

Unveiled a five-year, \$5.5 million Aboriginal Student Achievement Plan (ASAP), to enhance Aboriginal student participation and success.

Received Social Sciences and Humanities Research Council of Canada (SSHRC) eligibility.

2011

A Government of Canada investment enabled the purchase of a new King Air Turbo Prop simulator for use in pilot training and certification.

2012

Became the 10th member of Polytechnics Canada.

2013

Received authorization to grant its first degree, a Bachelor of Psychiatric Nursing.

BioScience Applied Research Centre opened.

2014

Launched the President's Partnership awards at the inaugural President's Gala. Proceeds benefit the Aboriginal Student Achievement Plan.

Restructured academic program divisions into an 11-school model that aligns with economic and public service sectors.

In partnership with the Saskatchewan Wildlife Federation, opened the Hannin Creek Educational Facility at Candle Lake.

On September 24, the Government of Saskatchewan proclaimed the Saskatchewan Polytechnic Act and SIAST officially relaunched as Saskatchewan Polytechnic. Campuses were renamed to reflect urban locations.

In partnership with International Minerals Innovation Institute (IMII) launched the Centre for Minerals Innovation.

Launched the Saskatchewan Manufacturing Centre of Excellence in cooperation with the Canadian Manufacturers & Exporters.

Digital Integration Research Group (DIREG) lab opened.

2015

Launched Desire2Learn, a dynamic online integrated learning platform, to students for all 577 online credit courses.

Government of Canada investment of \$348,952 received to purchase hydroacoustics equipment and unmanned aerial vehicles for Natural Resources Technology programs.
