

TOMORROW IN THE MAKING

2017 CONVOCATION MOOSE JAW CAMPUS

Congratulations

**YOUR TOMORROW
HAS ARRIVED.**

PRESIDENT'S MESSAGE

Welcome to the 2017 Saskatchewan Polytechnic Convocation Ceremony.

It is a pleasure and an honour to recognize this special occasion with all of our graduates, families, friends, faculty and staff.

Since our earliest days as an institution, we have been student-focused. We are committed to providing our graduates with superior training, and the skills necessary to contribute positively to our province and to our country.

The educational programs, applied research and employer relationships which we develop, set us apart from other post-secondary institutions, allowing you, our graduates, to contribute both on the job and in your communities from today forward.

I wish you every success as you embark on the next stage of your journey, and I hope you will maintain your connections with our Alumni Office. I encourage you to join and make your relationship with Sask Polytech lifelong.

Thank you for choosing Sask Polytech. Your education will serve you in ways you cannot imagine.

My sincere Congratulations!

Dr. Larry Rosia
President and CEO

MORE UNDERGRADS GRADUATE FROM SASKATCHEWAN POLYTECHNIC EACH YEAR THAN FROM ANY OTHER POST-SECONDARY INSTITUTE IN THE PROVINCE.

PROVOST'S MESSAGE

Welcome to today's convocation, and congratulations to each and every one of you!

This is a day of celebration, not only for you but also for the faculty and staff of Saskatchewan Polytechnic. We celebrate because we are genuinely proud of what you have accomplished. The hard work, patience and perseverance you demonstrated to reach this important milestone will bring untold benefits, both in your future careers as well as in the community you will live in.

You have overcome many hurdles to get here today. Along the way, you have gained vital skills and abilities that will prepare you to move forward through life. Your time spent studying at Saskatchewan Polytechnic will prove to be invaluable as you embark on the next stage of your career journey.

In closing, I would like to share a short quote by Lao Tzu that I hope you will remember:

"A journey of a thousand miles begins with a single step."

You have taken an important step today.

I wish you the best,

Dr. Anne Neufeld

Provost and Vice-President, Academic

ALUMNI MESSAGE

The road from student to graduate is a unique journey filled with opportunity and accomplishment. Congratulations on achieving this educational milestone and welcome to our dynamic and diverse community of alumni across the province. You are now part of a network that reaches into every corner of Saskatchewan, across our country and around the globe.

We urge you to stay in touch with us, and take advantage of the many alumni benefits and programs we offer. Please visit the Sask Polytech website to find out more about what we can do for you and how you can become involved in the alumni community.

Congratulations on your achievement. Saskatchewan Polytechnic is proud of your success. We hope that lifelong learning is part of your future, and that Saskatchewan Polytechnic is part of that future.

Sincerely,

Pam McLellan

Director, Donor and Alumni Relations
Saskatchewan Polytechnic

BOARD OF DIRECTOR'S MESSAGE

On behalf of the Saskatchewan Polytechnic Board of Directors, I want to congratulate you on this important milestone in your life.

After months and, in many cases, years of classes and studies, it may seem that you have finally reached the end of your journey today—and you have. Graduating is an important achievement, and one of great pride. Yet as you complete this important journey, know that you are also beginning another. It is a journey of lifelong learning. It is a journey that will serve you well in all your future endeavours.

Your classes may be over, but this is not the end of your relationship with Sask Polytech. In the future, we look forward to welcoming you again— as Alumni, instructors, employers, mentors, parents, supporters and friends.

Congratulations!

Ralph Boychuk

Chair, Saskatchewan Polytechnic
Board of Directors

HONORARY DIPLOMA RECIPIENT

Ms. Verna Alford is the President of Alford Floors & Interiors, a highly reputable and successful business in Regina. A long standing member of the Regina & Region Home Builder's Association, in 1967 Alford Floors & Interiors opened its doors as a flooring store. A few years later, Alford's expanded and started to provide furniture, accessories and guidance in Interior Design. Alford's was one of the first companies to offer Interior Design services in Western Canada. They have been involved with large commercial projects, such as the Regina City Hall, the Hotel Saskatchewan, and the design of Elton John's suite at the Brandt Centre. Alford's also works with communities on residential renovations and new home builds.

Ms. Alford is an incredibly active participant within her community, as a volunteer and as a contributing community member. She is a lifetime member of the Regina Humane Society, and has provided support to fundraising efforts for organizations such as the Ranch Ehrlo, the Cancer Society, and the Conexus Arts Centre, to name a few. In 2004, Ms. Alford was awarded the Saskatchewan Volunteer Medal by the Government of Saskatchewan. This medal recognizes volunteers, and those who demonstrate exceptional community involvement.

In 2001, Ms. Alford purchased the Grant Hall Hotel in Moose Jaw for \$1.00. The building had been closed since 1989, and sat empty for 21 years. During this time, the property was vandalized; the interior was badly damaged; and almost every window was broken, allowing birds and weather to further damage the interior. With the help of her two brothers, Ms. Alford painstakingly restored the Grant Hall Hotel back to its former glory. They salvaged and recycled as much of the original materials as possible to retain its authenticity. The Grant Hall reopened its doors in 2013, and is now home to several establishments, including the Grant Hall Alternative Living (home to year-round residents), the Grant Hall Hotel, the Grant Hall Dining Room & Lounge, and the Dolce Salon & Spa. The massive restoration and renovation of the Grant Hall is just one example of Ms. Alford's business, leadership and entrepreneurial acumen.

In 2014, Ms. Alford was recognized at the MJBEX Awards, and was awarded the Business of the Year Award, as well as the inaugural Heritage Award for the Grant Hall. In her lifetime, Ms. Alford has also received recognition as one of the Top 100 Women Entrepreneurs of Canada, for running one of the Top 100 Saskatchewan Businesses, and received YWCA's Women of Distinction Award.

Ms. Alford has said that she will never ask anyone to do something that she can do herself, and, in fact, you can find her adding her distinctive and classic sense of style to Alford's sales floor on any given day. Ms. Alford is a truly accomplished entrepreneur, business leader and caring community member.

VISION

By 2020, our expertise in responsive applied education and research that meet student and market needs will make us globally recognized as the first-choice polytechnic in Canada.

VALUES

RESPECT

We care about one another and about our workplace. We foster an open and inclusive environment that embraces diverse cultures, heritages and opinions; we learn, work and support each other as one team.

INTEGRITY

We are committed to being accountable and transparent. We are honest with one another. We hold ourselves to high standards of ethical behavior and take responsibility for our actions.

SUSTAINABILITY

We work, live and learn in a socially and environmentally responsible manner. We support the health, safety and overall well-being of our students, employees and partners. We are conscientious stewards of our resources and continuously look for entrepreneurial and creative ways to strengthen and improve our organization. These considerations underlie all our actions, behaviours and decisions.

EXCELLENCE

We go above and beyond what is normally expected to achieve excellence in our teaching, in our programming, in our learning and in our services. We accomplish this by maintaining high standards, strong competencies, committed partnerships and by being responsive and accessible.

ORGANIZATIONAL PROFILE

Saskatchewan Polytechnic serves 28,000 distinct students through applied learning opportunities at campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and through extensive distance education opportunities. Programs serve every economic and public service sector. As a polytechnic, the organization provides the depth of learning appropriate to employer and student need, including certificate, diploma and degree programs, and apprenticeship training. Saskatchewan Polytechnic engages in applied research, drawing on faculty expertise to support innovation by employers, and providing students the opportunity to develop critical thinking skills.

ACADEMIC DRESS

Along with the academic tradition of black gowns, Saskatchewan Polytechnic grads wear v-stoles in the colour selected for each school. Other members of the platform procession wear the gown and v-stole, hood, or in some instances, a hat or mortarboard representing a credential they have received or the Saskatchewan Polytechnic v-stole that represents the school in which they teach.

2016-17 HIGHLIGHTS & ACHIEVEMENTS

SCHOOL OF BUSINESS

Students in the Office Administration program are given a number of pathways for program completion. Students may be granted exemptions based on prior learning through employment or other post-secondary institutions. Students may complete courses through a combination of full- or part-time studies, in classrooms or online. To increase student success, our full-time program in Prince Albert carried out a pilot project in 2016-2017 that involved weekend tutoring. Students were grateful for the extra help and many reported better academic performance as a result. The program plans to move forward with this initiative in 2017-2018.

SCHOOL OF INFORMATION AND COMMUNICATIONS TECHNOLOGY

Kyla Henry is a second year student in the Graphic Communications program at Regina Campus. Kyla won gold at the Skills Canada Saskatchewan provincial competition in April 2016 and gold and best of region in the Skills Canada national competition in June 2016. Kyla will be competing with Team Canada at the 44th WorldSkills in Abu Dhabi this October. Congrats Kyla!

SCHOOL OF NURSING

2017 has been an exceptionally exciting year for the School of Nursing as we celebrated 50 years of delivering quality nursing education. A number of events were held in the spring to honour the pioneering efforts of our alumni in advancing nursing education, research and scholarly work, as well as to celebrate the achievements of our current students, graduates, faculty and staff.

A Legacy Trust was established to commemorate the School of Nursing's 50th Anniversary. The Trust will fund scholarships

and bursaries for future generations of students enrolled in the School of Nursing programs. Funds raised will ensure nursing students have the financial supports needed to succeed in fulfilling their academic dreams.

SCHOOL OF HEALTH SCIENCES

Congratulations to Susan Thiessen, program head, Veterinary Technology program, on her innovative work in collaborating with Veterinary Simulator Industries to create an Equine Palpation Radiology Limb prototype. The prototype can be attached to the custom VSI Equine Palpation Colic Model. The equine simulator has an x-rayable limb, inflatable GI tract and colon, reproductive organs, injectable veins and muscles and functioning eyes and eyelids to practice administration of eye drops. Sask Polytech is currently the only institution in North America to have this simulator to promote student learning.

SCHOOL OF CONSTRUCTION

This past December several of our Architectural Technologies students and instructors traveled to Thailand to volunteer with Global Neighbors. The Sask Polytech volunteers built various buildings for Burmese refugees. The students fundraised to cover their travel costs as well as Global Neighbors' construction costs. Global Neighbors' model is to build facilities in communities where there is a committed group of residents who can successfully operate needed services such as schools and medical buildings.

Crystal Bueckert, a 2008 graduate of Sask Polytech who started Bldg Studio Inc. in 2010 and now does about 85 projects a year, was featured in Maclean's magazine. Crystal is focused on designing sustainable residential infill homes and small commercial buildings. Congrats Crystal!

FROM OUR SCHOOLS

SCHOOL OF TRANSPORTATION

Sask Polytech's Auto Body and Automotive Service Technician programs in Regina and Saskatoon have been partnering with SGI for over 15 years to repair total-loss cars that are not economical to fix in a commercial body shop. Once repaired the vehicles join the SGI fleet. This is the first partnership of its kind and is a win-win situation for all involved. Students are provided with a hands-on learning opportunity to work on damaged vehicles, SGI saves money on fleet vehicles and taxpayers save money as both organizations are collaborating to repair vehicles that would end up in salvage.

SCHOOL OF MINING, ENERGY AND MANUFACTURING

This year several CAD/CAM, Electrical Engineering and Machinist students competed in and won a variety of medals at Skills Canada provincial and national competitions. Our Mechanical Engineering program in collaboration with our CAD/CAM program entered a student-designed and created ultra-fuel-efficient vehicle in the Shell Eco-Marathon Americas competition. Instrumentation program students participated in the International Society of Automation competition in Calgary, which hosts teams from around the world including the United States, Brazil and India.

SCHOOL OF NATURAL RESOURCES AND BUILT ENVIRONMENT

Sask Polytech's Natural Resources faculty and staff received a team award at the first annual Science, Technology, Innovation and Collaboration (STIC) Awards ceremony hosted by Saskatoon Regional Economic Development Authority (SREDA). The Sask Polytech and Saskatchewan Wildlife Federation partnership behind Hannin Creek

won a silver medal in the international IPN-Global Best competition. The facility provides users with exceptional opportunities to learn more about themselves and the world around them. Numerous students from the BioScience Technology program were awarded Applied Research Student Project scholarships and the Sask Polytech Innovation Award was given to a Chemical Technology student.

SCHOOL OF HOSPITALITY AND TOURISM

At this year's winter camp, Recreation and Community Development students volunteered with the Canadian Challenge Sled Dog Race, a 12 dog continuous mid-distance race. The race follows a route similar to that of the old sled dog trail used for years by trappers, the North-West Mounted Police and First Nations communities to travel between Prince Albert and La Ronge. The total distance of the race is approximately 600 kilometers.

SCHOOL OF HUMAN SERVICES AND COMMUNITY SAFETY

Several students in the Regina campus Adult 12 program who are working toward high school completion have earned three dual credits with Early Childhood Education (ECE). Dual credits allow students the opportunity to earn post-secondary credits while they also earn high school credits. This is the first dual credit collaboration between ECE and Adult 12 at Sask Polytech.

McIntosh, James
Scherr, Nathan
Sharma, Reema
Tratch, Doug
Trott, Timothy

SCHOOL OF MINING, ENERGY AND MANUFACTURING

Computer Engineering Technology Diploma

Program Head:
Tom Strickland

Bertoia, Devan
Bindig, Tyson
Felix, Aby
Frank, Stephen
Galiya, Nachiket
Gibson, Michael
Hamilton, Clinton
Howard, Austin
Leier, Mitchell
Scuka, Adam
Singh, Bhupinder

Electrical Engineering Technology Diploma

Program Head: Tamra Allen

Alheetimi, Muthana
Anstead, Edward
Baenziger, Andrew
Basnicki, Brody
Boser, Devin
Bouvier, Matthew
Chorney, Mackenzie
Dobson, Leighton
Eh, Tha
Francis, Orville
Hugel, Pierce
Junk, Braden
Kopciuch, Theodore
Kozun, Austyn
Leem, Chan
Lessmeister, Lark

Mepham, Scott
Nguyen, Tuyen
Nieman, Preston
Sawchyn, Thomas
Schroers, Cody
Stadnek, Rylan
Sun, Qian
Woodman, Shale
Yu, Chao
Zerr, Benjamin

Engineering Design and Drafting Technology Diploma

Program Head:
Daniel Bechard

Brown, Ashley
Carthy, Jennifer
Dand, Jill
Gill, Karen
Jung, Pooleum
Kim, Nahee
Kostyniuk, Jesse
Newsome, Kaila
Orthner, Morgan
Peterson, Teri
Zhang, Junwei

Geomatics and Surveying Engineering Technology Diploma

Program Head: CJ Pelletier

Desrochers, Vincent
Kauth, Jessica
Krysak, Braydon
Peng, Yulu
Schneider, Jared
Finkas, David
Singh, Amanjit
Song, Yongwon

Instrumentation Engineering Technology Diploma

Program Head:
Frank Van Breugel

Ahmed, Basharat
Bristow, Mitchell

Dooley, Taylor
Harbicht, James
Henrikson, Sydney
Hoppe, Danielle
LaPointe, Conner
Lang, Dustin
Lenius, Aidan
Litzenberger, Paul
Macleod, R Malcolm
Rawlyk, Joshua
Regier, Logan
Stenson, Kennedy
Watt, Jacqueline
Winkler, Megan

Welding Certificate

Program Head:
Steve Guillaume

Abubakar, Sheriff
Bailey, Brandyn
Burke, Eddie
Dodd, Colton
Dryden, Eric
Dugan, Hunter
Eagles, Shelby
Forster, Devin
Grey, Chase
Hahn, Jared
Hanna, Jaden
Hildebrandt, Connor
Hjorteland, Kayden
Ireland, Ty
Jolson, Andrew
Keeler, Lyndon
Knox, Tyler
Kowalski, Dyllan
Kurtz, Cody
Lachowsky, Brittany
LaDouceur, Quin
Langton, Brooklyn
Mangels, Ruston
Obritsch, Jordan
Parschauer, Brooks
Pedersen, Rudy
Ray, Dillon
Senicar, Sawyer
Sinclair, Michael
Stephaniuk, Holly
Tallentire, Lane

Verwimp, Darian
Wallace, Richard
Wilson, Colton
Zacharias, Braydon

SCHOOL OF NATURAL RESOURCES AND BUILT ENVIRONMENT

Civil Engineering Technologies Diploma

Program Head: Art Skibinsky

Bonneau, Alex
Campbell, Bradley
Dyck, Meagan
Findlay, Travis
Hamilton, Christine
Hersberger, Ariel
Kang, Jinhee
Liang, Weijun
Listrom, Rheed
Quick, Timothy
Ren, Si Qi
Schindelka, Mark
Simpson, Ashton
Stauber, Joshua
Steffenson, Brandon
Switzer, Riley
Trodd, Neil
Ward, Leighton
Zha, Aijian

Civil Technician Certificate

Program Head: Art Skibinsky

Balerud, Riley
Bartel, Mitchell
Chavda, Shivrajsinh
Cloud, Keaton
Halkett-Roberts, Henry
Harris, Taylor
Hiebert, Cole
Jenner, Spenser
Moysey, Colton
Natomagan, Trevor
Orobosa, Amen

Patel, David
Plessl, Trevor
Ross, Billy
Tady, Jackson
Tsannie, Racheal

Environmental Engineering Technology Diploma

Program Head: Kaya Forest

Alberts, Melissa
Counsell, Kara
Dubinak, Zachary
Huynh, Evan
Kopperud, Samantha
Mitchell, Karstin
Owen, Brennon
Oyoo, Vincent
Paice, Chad
Sully, Stephanie
Wenman, Mikaela

Water Resources Engineering Technology Diploma

Program Head: Art Skibinsky

Alozie, Enyichukwu
Heuck, Taylor
Jackle, Braden
Kilbride, Robert
Palamattam, Deepak
Patil, Rinkesh
Ryan, Jared
Singh, Manjinder

Water Wastewater Technician Certificate

Program Head: Art Skibinsky

Pate, Kunalkumar

SCHOOL OF TRANSPORTATION

Automotive Services Technician Certificate

Program Head: Darwin Hazell

Abdalbyine, Abdalsabid
Bondy, Jesse
Cann, Dylan
Christensen, Jesse
Costley, Hailey
Davis, Brennan
Gian, Rex
Khayyam-Shaikh, Omar
Kowalchuk, Kyle
Lee, Bosung
Loustel, Dalton
Macknak, Noah
Main, Wyatt
Neiser, Daniel
Olanipekun, Tope
Paligan, Belmar
Peat, Brody
Pop, Raul
Rockey, Alex
Roy, Noah
Srochenski, Matthew
Stoneland, Stepanie
Tysdal, Coleton
Wang, Xin Yan
van Staveren, Lucas
