**CHAPTER S-32.21 REG 1**  
*The Saskatchewan Polytechnic Act*

**Title**

- 1 These regulations may be cited as *The Saskatchewan Polytechnic Regulations*.

**Interpretation**

- 2 In these regulations:

- (a) “**Act**” means *The Saskatchewan Polytechnic Act*;
- (b) “**regional college**” means a regional college as defined in *The Regional Colleges Act*.

22 Aug 2014 cS-32.21 Reg 1 s2.

**Saskatchewan program locations**

- 3(1) The polytechnic may deliver courses and programs within Saskatchewan at the campuses or other locations of the polytechnic located in:

- (a) Candle Lake, at the Hannin Creek Education Facility;
- (b) Moose Jaw;
- (c) Prince Albert;
- (d) Regina; and
- (e) Saskatoon.

- (2) The polytechnic may deliver courses and programs in Saskatchewan through a regional college pursuant to an agreement with the regional college.

- (3) The polytechnic may deliver courses and programs in Saskatchewan through Dumont Technical Institute Inc. or the Saskatchewan Indian Institute of Technologies pursuant to an agreement with the institute.

- (4) Subject to subsection (5), with the prior approval of the minister, the polytechnic may deliver credit or non-credit courses or programs within Saskatchewan at locations other than those mentioned in subsections (1) to (3).

- (5) In approving the delivery of a course or program for the purposes of subsection (4), the minister shall assess the need for the proposed course or program in Saskatchewan, taking the following factors into consideration:

- (a) how the proposed course or program addresses the needs of students and employers in Saskatchewan;
- (b) opportunities for collaboration with regional colleges or with other Saskatchewan training institutions in the delivery of the proposed course or program;

- (c) how the proposed course or program affects the Saskatchewan post-secondary education system;
- (d) how the proposed course or program advances the economic and social priorities of the Government of Saskatchewan;
- (e) how the proposed course or program aligns with the polytechnic's mandate, mission and strategic plan;
- (f) the fiscal plan for implementing the proposed course or program, including the financial implications for students, the polytechnic and the Government of Saskatchewan;
- (g) any other factor that the minister considers necessary to assess the need for the proposed course or program in Saskatchewan.

22 Aug 2014 cS-32.21 Reg 1 s3.

**Out-of-province program locations**

4(1) Subject to subsection (2), the polytechnic may deliver credit or non-credit courses or programs at locations outside Saskatchewan if:

- (a) the course or program is intended to generate revenue for the polytechnic; and
- (b) the minister approves the delivery of the course or program by the polytechnic at a specified location outside Saskatchewan.

(2) In approving the delivery of a course or program for the purposes of clause (1)(b), the minister shall assess the need for the proposed course or program, taking the following factors into consideration:

- (a) how the proposed course or program benefits Saskatchewan and the Saskatchewan post-secondary education system;
- (b) how the proposed course or program advances the economic and social priorities of the Government of Saskatchewan;
- (c) how the proposed course or program aligns with the polytechnic's mandate, mission and strategic plan;
- (d) the fiscal plan for implementing the proposed course or program, including the financial implications for students, the polytechnic and the Government of Saskatchewan;
- (e) the financial, reputational, operational, and health and safety risks to the polytechnic associated with the delivery of the proposed course or program;
- (f) how the proposed course or program:
  - (i) increases the number of sustained and mutually beneficial partnerships with Saskatchewan, Canadian and international organizations, businesses and governments;

- (ii) provides professional development opportunities for the polytechnic's faculty, staff, students or graduates through international learning or working opportunities;
- (iii) provides programs and services to qualified international students in Saskatchewan or outside Canada;
- (iv) supports brokering arrangements between the polytechnic and educational or training institutions outside Canada;
- (v) supports the immigration of skilled individuals to Saskatchewan through the assessment of technical and language skills; and
- (vi) supports the Saskatchewan or Canadian trade or export industry;
- (g) any other factor that the minister considers necessary to assess the need for the proposed course or program.

22 Aug 2014 cS-32.21 Reg 1 s4.

**University program locations**

**5(1)** In this section and in clause 4(b) of the Act, “**university program**” means a program of post-secondary study leading to any recognition in writing of academic achievement granted by a university that:

- (a) is called a degree, diploma or certificate; or
  - (b) implies, or would be reasonably understood as granting or conferring, a degree, diploma, certificate or other document of academic achievement.
- (2) The polytechnic may deliver university programs in accordance with clause 4(b) of the Act at locations approved by the minister.

22 Aug 2014 cS-32.21 Reg 1 s5.

**Coming into force**

**6** These regulations come into force on the day on which section 1 of *The Saskatchewan Polytechnic Act* comes into force.

22 Aug 2014 cS-32.21 Reg 1 s6.
