1. This is not the official number of graduates. The total represents the 'valid sample' of graduates surveyed. It does not include international students who graduated outside of Canada.
2. **Employment** percentages are for the **Available Workforce (Labour Force)** - those employed and those not employed who are looking for work.
3. As Aboriginal, Disabled and Visible Minority identification is voluntary, the number of equity respondents may vary and cannot be compared to Banner statistics for response rates.
4. The monthly salary rates are for graduates employed in Full Time Training Related Jobs.
5. 2010-11 salary rates are very high due to 2 graduates who were self employed in training related jobs
