

2015-16 Graduate Followup Survey Results Survey Conducted in 2017

Introduction

Saskatchewan Polytechnic annually surveys its graduates to determine their employment status six months to a year after graduation.

Graduates are asked to report on their employment status, employment in a training related occupation, location of employment, overall satisfaction with the program, as well as satisfaction with preparedness for employment in a training related field.

How to Use This Workbook

To use this workbook, first select a program from the filters below. The filters will only show relevant values based on previous selections. Once a program is selected, browse to the dashboards to see the survey results.
