## **SIAS releases new enrolment data**

*Trends have implications for ongoing economic growth*

**Saskatoon** – Economic growth in Saskatchewan has had significant implications for the labour market. SIAS's senior vice president, academic, David Walls, will release information this week about recent enrolment trends – trends that are similarly important to ongoing economic growth.

Media are invited.

**Date:** Friday, November 14, 2008  
**Time:** 10:30 am  
**Location:** SIAS Kelsey Campus  
Room 309  
Idylwyld and 33<sup>rd</sup> Street  
Saskatoon

-30-
