## **SIAST Kelsey cuts ribbon on new facility**

*Training space expands for trades and paramedic programs*

**November 5, 2009** – SIAST Kelsey’s new Ontario Ave Centre has more than 200 trades and paramedic students learning in a facility that boasts the latest in new classroom technology.

The centre’s additional 37,000 square feet features trades training in building construction, masonry, welding, steel fabrication and the Electrician applied certificate program. Students training as paramedics benefit from a top-notch facility that includes scenario rooms and an ambulance bay.

**Event:**           **SIAST Kelsey Ontario Ave Centre  
Ribbon Cutting**

**Location:**      SIAST Kelsey Ontario Ave Centre  
1302 Ontario Ave North  
Saskatoon SK

**Date:**            Friday, November 6, 2009  
9:30 a.m.

Note: Tours will be available for media following the ribbon cutting.
