SIAST Kelsey recognizes academic excellence
Scholarship and award recipients stronger than ever

April 6, 2006 – Winners of 194 scholarships and awards with a value of \$194,780 were recognized at SIAST Kelsey Campus today.

“SIAST scholarships and awards would not be possible without the generosity of the many individuals, organizations and businesses who provide donations,” says David Walls, SIAST’s associate vice president, academic and student affairs. “Their good citizenship provides valuable student support and recognition.”

With the support of donations from individuals, organizations and businesses, SIAST Kelsey Campus annually presents awards valued at approximately \$434,000.

SIAST is Saskatchewan’s primary public institution for post-secondary technical education and skills training, recognized nationally and internationally for its expertise and innovation. Almost 12,000 students are registered in SIAST programs, which touch every sector of the economy; additionally, the organization draws more than 27,000 individual course registrations. It operates campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and provides a number of courses and programs through distance education.
