## **Event marks program agreement between Montreal Lake Cree Nation, SIAST**

*SIAST to deliver Natural Resources courses, Electrical applied certificate*

The Montreal Lake Cree Nation and SIAST will commemorate a memorandum of understanding at a special ceremony this Thursday. The memorandum concerns delivery of SIAST's core courses related to three Natural Resource diploma programs. The agreement also includes a fire fighter training program and an Electrician applied certificate. The programs will be offered this fall through the Montreal Lake Cree Nation Training Centre of Excellence.

**Event:** MOU ceremony  
**Date:** Thursday, June 8, 2006  
**Time:** 4 p.m.  
**Place:** **SIAST Woodland Campus - Outdoors between the Academic and Technical Centre** (In the advent of bad weather the event will be held in the Technical Centre dining room.)

Guests and speakers include representatives of the Federation of Saskatchewan Indian Nations, Indian and Northern Affairs Canada, the Prince Albert Grand Council, the Saskatchewan Department of Advanced Education and Employment, the Saskatchewan Department of Regional Economic and Co-operative Development, Saskatchewan Department of First Nations and Métis Relations and the Saskatchewan Department of Community Resources.
