SIAS mobile lab visits Regina

"Industry-driven" initiative takes trades training on the road

September 8, 2006 – SIAS's new Mobile Training Lab will make a stop-over in Regina this week. Representatives of business, industry and education have been invited to visit the lab on Monday. **Media are also invited.**

The \$1.6 million mobile training facility includes a tractor-trailer unit with pop-out sides that transform it into a 1,100-square-foot training shop. It can accommodate a range of programs, including welding, industrial mechanics and electrical.

Event: **SIAS Mobile Training Lab Visit**
When: Monday, September 11, 2006
1 p.m.
Location: SIAS Wascana Campus

Speakers include Warren McCall, MLA, Regina Elphinstone-Centre.
