SIAST mobile lab visits Saskatoon

"Industry-driven" initiative takes trades training on the road

September 21, 2006 – SIAST's new Mobile Training Lab will make a stop-over in Saskatoon this week. Representatives of business, industry and education have been invited to visit the lab today, Thursday. **Media are also invited.**

The \$1.6 million mobile training facility includes a tractor-trailer unit with pop-out sides that transform it into a 1,100-square-foot training shop. It can accommodate a range of programs, including welding, industrial mechanics and electrical.

Event: **SIAST Mobile Training Lab Visit**
When: Thursday, September 21, 2006
1 p.m.
Location: SIAST Kelsey Campus
Southeast parking lot
