SIAS Natural Resources program hosts environmental conference

*Nine industry experts present the future of energy resources and
management issues in Saskatchewan*

March 14, 2007 – SIAS's Integrated Resource Management program is hosting the 4th Annual Resource Issues in Saskatchewan Conference at SIAS Woodland Campus on Thursday, March 15th.

The conference will provide an opportunity for students and faculty to network with industry representatives and to learn about the latest environmental trends and issues.

Conference topics include land use issues related to energy development, unconventional gas resources, climate change, agroforestry systems and energy production and moving Saskatchewan into a carbon friendly energy economy.

Event: 4th Annual Resource Issues In Saskatchewan Conference

Place: SIAS Woodland Campus
Academic Centre – Room AC236
Prince Albert, Saskatchewan

Date: Thursday, March 15, 2007

Time: 8 a.m. – 5 p.m.

- 30 -
