SIAS celebrates 50 years of Civil Engineering Technology
Plaque unveiling to commemorate milestone

Friday, November 7, 2008 – Past and current students, staff and faculty will join industry supporters and other dignitaries in celebrating 50 years of Civil Engineering Technology in Saskatchewan on:

November 8, 2008, at SIAS Palliser Campus, Moose Jaw

2:00 p.m. Facility tours, Student Lounge

3:00 p.m. SASTT Wine and Cheese Social, Student Lounge

7:00 p.m. Program, Cafeteria

Speakers during the program portion will include a student currently enrolled in the program, and various alumni including 1960 grad, Moe Zimmerman. Moe Zimmerman was a graduate of the first Civil Engineering class. He was the first student president and also spent time instructing in the SIAS Civil Engineering Technology program.

A number of special presentations will also be made during the program including a presentation from the SIAS Palliser Campus student association, the Saskatchewan Applied Science Technologists and Technicians (SASTT), and the commemorative plaque unveiling.
