MEDIA ADVISORY

U of S and SIAS work together to expand degree options for students

Transfer agreement enables Natural Resources grads to earn one of two degrees with the U of S

April 22, 2008 – University of Saskatchewan College of Agriculture and Bioresources and the Saskatchewan Institute of Applied Science and Technology (SIAS) will sign an articulation agreement tomorrow that will provide expanded options for students in SIAS's Natural Resources programs.

The agreement gives SIAS Natural Resources diploma graduates the option of continuing their education in either the Bachelor of Science in Agriculture degree or the Bachelor of Science in Renewable Resource Management degree at the U of S.

Event: U of S/SIAS Transfer Agreement Signing
Place: University of Saskatchewan
College of Agriculture and Bioresources
Atrium
Date: Wednesday, April 23, 2008
Time: 3:30 p.m. – 4 p.m.

Media are welcome to attend. Refreshments will be served after the announcement.
