MEDIA ADVISORY

SIAS Woodland hosts an information session for early childhood educators

Dr. Sylvia Chard will present her philosophy and techniques on engaging children through active learning.

May 10, 2007 – Researcher and writer Dr. Sylvia Chard from the University of Alberta will be at SIAS Woodland Campus on May 11 for an informative session with early childhood educators. Dr. Chard will discuss how to engage children 0-12 years of age with learning projects in early learning and child care environments.

Media are welcome to attend.
