*Dinner features country music artist Donny Parenteau*

**Prince Albert, November 23, 2005** – More than 140 tickets have been snapped up for the first annual SIAS Woodland Campus Hats Off to Success dinner, to be held on campus tonight. The sold-out event features presentations by SIAS alumni Carolyn Carleton and Al Jurgens, and entertainment by renowned country music artist Donny Parenteau.

“We are just thrilled by the support shown for this inaugural event,” says Ralph Boychuk, chair of the SIAS Development and Alumni Committee. “Celebrating success keeps everyone connected – from SIAS students to programs people, alumni and community partners,” he adds.

Proceeds from the dinner will support student scholarships and awards at SIAS Woodland Campus.

SIAS is Saskatchewan’s primary public institution for post-secondary technical education and skills training, recognized nationally and internationally for its expertise and innovation. Almost 12,000 students are registered in SIAS programs, which touch every sector of the economy; additionally, the organization draws more than 27,000 individual course registrations. It operates campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and provides a number of courses and programs through distance education.
