Fair focuses on healthy living

Event attracts businesses and associations from across the province

March 11, 2008 – More than 20 exhibitors are ready to promote health and wellness at the SIAST Woodland Campus second annual health fair. Participants can test their pulmonary function, find out their blood type and see the latest fitness equipment. Displays cover such topics as holistic healing, naturopathy, mental health, physiotherapy, addictions services, financial advice and much more. The health fair is open to students, staff and the public.
