# **SIAST Woodland health fair grows to 40 exhibitors**

*Topics range from natural therapies to Alzheimer education*

**March 5, 2010** – The 4<sup>th</sup> annual SIAST Woodland Campus health fair takes place on Tuesday, March 9. This year more than 40 exhibitors are ready to promote health and wellness to staff, students and the public. Participants can find information about a number of topics, including holistic healing, galvanic spas, natural therapies, acupuncture, ergonomics, Alzheimer education, natural foods and much more.

The fair continues to gain momentum as the number of participating vendors climbs by 15. Last year the number of vendors doubled. Organizer and SIAST campus nurse Nicole Conan says, "This is the only fair of its kind offered in the city, and we are pleased to be part of promoting healthy lifestyles within the community." The fair is open to the public.
