# **Applications available for SIAS rental units**

*SIAS Woodland's new 36 housing units ready for students with families*

**October 6, 2009** – Applications for student family housing at SIAS Woodland Campus are now being accepted. Construction on the 36-unit complex is complete. The complex includes 34 single-family two-bedroom townhouse style units and two wheelchair-accessible suites.

Campus Director Larry Fladager says, "We are excited to be at this stage of the housing project. Access to quality housing on campus will remove a barrier to success for SIAS students with family responsibilities." Fladager adds, "We are currently installing appliances, moving in furniture and readying the units for occupancy."

The Prince Albert Housing Authority will manage the rental of the units. Qualified applicants may take occupancy as early as October 15. Students and potential students who are interested and would like more information on rental qualifications should call the Prince Albert Housing Authority at 953-7420. Information brochures and rental application forms are available at the Woodland Campus Technical Centre kiosk, the Academic Centre reception counter and at Prince Albert Housing Authority at 230 8<sup>th</sup> Street East.

SIAS is Saskatchewan's primary public institution for post-secondary technical education and skills training, recognized nationally and internationally for its expertise and innovation. More than 13,000 students are registered in SIAS programs, which touch every sector of the economy; additionally, the organization draws almost 32,000 individual course registrations. It operates campuses in Moose Jaw, Prince Albert, Regina and Saskatoon, and provides a number of courses and programs through distance education.
