EMERGENCY NOTIFICATION SYSTEM (ENS)

- In the event of an emergency that is not a fire or medical, the ENS will be activated.
- An alert message will be broadcast on the Sask Polytech emergency notification app, beacons, computers, and VoIP.
- Follow instructions as provided.
- Check for updates at mysaskpolytech.ca.
- For more information on the ENS, including how to download the Sask Polytech emergency notification app, visit saskpolytech.ca/ENS.

ARMED INTRUDER

- Follow Emergency Notification System instructions.
- **RUN if there's a safe escape route.** Tell others to leave, call 911 and Campus Safety & Security at 306-960-3995.
- **HIDE if you can't escape or are in another, nearby building.** Find a classroom, office or other enclosed space. Lock or barricade the door. Turn off lights and mute cell phones. Remain quiet.
- If you are in another building, do not leave as you may enter the danger zone.
- When police arrive, follow their instructions.
- **DECIDE if your life is in danger,** as a last resort, fight, attempt to incapacitate the intruder, act with physical aggression, or improvise weapons.
- An all-clear message will be sent over the ENS once the situation is safe.
