Running for the cure

The SIAST Nursing Division entered a team of 28 in this year's Breast Cancer Foundation CIBC Run for the Cure on Oct. 3.

The team, called "Breast Practice," raised \$3,500 for the cause.

Run for the Cure is Canada's largest single day, volunteer-led fundraising event dedicated to raising funds for breast cancer research, education and awareness programs.

Each year, thousands of Canadians participate in the Run nation-wide.
