

October 29, 2012

Dear Colleagues,

I am very pleased to congratulate Lauren Mitchell on her appointment as Program Head, CPR/First Aid and Occupational Health and Safety Practitioner program.

Lauren Mitchell

Lauren is an innovative leader and experienced safety professional. As Occupational Health Officer with the Ministry of Labour Relations and Workplace Safety, Lauren promoted a culture of safety through education, facilitating achievement of compliance with relevant legislation, conducting workplace inspections and investigating concerns brought forward by employees and employers.

In addition to providing leadership as a Safety Coordinator with various companies, Lauren has led OH&S Committees and coordinated innovative community initiatives. Prior to her work in OH&S, she was a teacher in the K-12 school system for ten years.

Lauren holds a Bachelor of Education, Canadian Registered Safety Professional (CRSP) designation, and a Certificate in Occupational Health and Safety.

Lauren will begin her new position on November 1, 2012. Her office is located at SIAS Kelsey Campus in Saskatoon. You can contact her at 659-4083 or lauren.mitchell@siast.sk.ca

Please join me in congratulating Lauren on her new position.

Sincerely,

Netha Dyck
Dean of Nursing
