Prior learning credit options at Saskatchewan Polytechnic

See [Get Credit for What you Know](#) for important information about all options to get credit for prior learning at Sask Polytech, including PLAR, transfer credit, Canadian Armed Forces credit, and equivalency credit.

How to navigate this document

This document contains links to other document sections or webpages. To return to where you were from another section in this document, press the *ALT* key and *left arrow* key at the same time. To return to this webpage from another webpage, close the other webpage or click back on the browser tab for this document.

Contents of this guide

This guide contains the following specific PLAR information and tools for this program

- A. [PLAR fees](#)
- B. [PLAR eligibility and options](#)
- C. [Dates when PLAR assessment is available](#)
- D. [Special directions for this program](#)
- E. [PLAR contact person](#)
- F. [Self-rating course outlines](#)

A. PLAR fees

Fees for PLAR challenges are set to cover our costs for consultation, assessment, and related administrative tasks. PLAR fees are non-refundable and non-transferrable.

The PLAR fees policy is subject to change for each new academic year. Please see the **Cost** section on the [PLAR webpage](#) for current fee information.

B. PLAR eligibility and options

To be eligible for PLAR for courses in this program, you must first apply for admission and be accepted into the program. You must also consult with the [PLAR contact person](#) and be approved for PLAR assessment.

Course prerequisites and corequisites

Some courses have one or more other courses that must be completed first (prerequisite) or at the same time (corequisite). See [course outlines](#) in this guide to identify any pre- or co-requisites for each course. Discuss with your [PLAR contact person](#) how to deal with courses with corequisites.

Block assessment

Some programs may assess a cluster of courses together in one block, which may save you time and effort. Ask the [PLAR contact person](#) whether there are any block assessment options in this program.

C. Dates when PLAR assessment is available

PLAR assessment for this program is available from Sept 1 to June 15 in each academic year.

All PLAR assessments must be completed by June 15 of each academic year.

D. Special directions for this program

1. **Review** the [PLAR process and FAQs](#) and the information in this guide.
2. **Self-rate** your learning for each course using the [Course Outlines](#) in this guide.
3. **Consult** with the [PLAR contact person](#) for PLAR approval. Be prepared to provide your resume, course self-ratings (see [section F](#)), and a partially completed [PLAR application](#). If you are approved for PLAR, the contact person will sign your PLAR application and explain next steps.
4. Apply for admission to the program. See [directions](#) for applying.
5. **Register** for PLAR at [Registration/Enrolment Services](#) once you have signed approval on your [PLAR Application Form](#). The PLAR fee will be added to your student account.
6. **Finalize** an assessment plan with your assigned assessor.
7. **Complete** assessment before your PLAR registration expires.

E. PLAR contact person

Contact one of the Program Heads below to arrange a consultation **after** you have read this guide and [general PLAR information](#) and rated yourself for each course (see next section). Consultation may be by phone, online, or in person. Be prepared to provide your resume, course self-ratings, and a partially completed [PLAR application](#). If agreement is reached to go ahead with PLAR, the contact person will sign approval on your PLAR application and explain the next steps. Admission to the program is required before you can register for PLAR.

Louise Benson, Program Head
Saskatchewan Polytechnic, Prince Albert
Phone: 306 - 765-1592
Email: benson4145@saskpolytech.ca

F. Self-rating course outlines

Clicking on a course code below opens a page where you can rate yourself on the knowledge and skills assessed for PLAR credit. For Arts & Sciences courses, clicking on the course code opens another PLAR guide. The [PLAR contact person](#) for this program will refer you to another person to discuss PLAR for courses delivered by Arts & Sciences or another program/department.

BUS 101 – Business Skills

You will develop an understanding of operating a hair salon and employer expectations. Your studies will develop your awareness of legal and labour regulations, financing, salon design and maintaining shop inventory and equipment. The course covers practical application of personality theories to salon situations.

Credit unit(s): 4.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss career planning.			
2. Describe aspects of working in hair services.			
3. Discuss retailing in a salon.			
4. Identify elements of a successful salon, spa, or barber shop.			
5. Produce a resume and cover letter.			

COMM 291 – Interpersonal Communication

You will develop employability skills through the study of interpersonal communications theory and applications in the workplace. Learning outcomes include the importance of self-awareness and self-esteem, perception problems, verbal and nonverbal messages, and listening skills, creating positive communication climates and resolving interpersonal conflict.

Credit unit(s): 2.0
Prerequisites: none
Corequisites: none
Equivalent course(s): BCOM 103, COMM 112, COMM 135, COMM 155, COMM 160, COMM 381, HUMR 182, HUMR 186, JOBS 190, NEPS 114, NURS 114, NURS 163

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Describe interpersonal communication.			
2. Describe how self-concept and perception affect communication.			
3. Discuss verbal and nonverbal messages.			
4. Discuss factors affecting communication climates.			
5. Apply skills to improve communication.			

HAIR 100 -Health Sciences for Hair and Skin

You will explore sciences as they relate to providing service as a hairstylist. You will discuss general anatomy and physiology. You will describe hair and scalp properties, skin structure and growth, chemistry, and physics. You will use the metric system as applied in hairstyling.

Credit unit(s): 4.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss general anatomy and physiology.			
2. Describe hair and scalp properties.			
3. Describe skin structure and growth.			
4. Describe how chemistry is applied in hairstyling.			
5. Describe how physics is applied in hairstyling.			
6. Use the metric system as applied in hairstyling.			

HAIR 101 - Hair Service Preparation

You will study the practice and theory in shampooing, finishing rinses, hair treatments and scalp treatments. You will develop the knowledge required to recognize diseases and disorders of the scalp.

Credit unit(s): 3.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss shampooing, conditioning, and basic scalp care.			
2. Identify products used for hair and scalp treatment and their properties.			
3. Discuss hair and scalp treatment.			
4. Demonstrate the 3-part client service process.			
5. Demonstrate hair and scalp treatments.			

HAIR 106 - Basic Hair Colouring

You will study all aspects of basic colouring and lightening techniques with emphasis on practical applications of temporary, semi-permanent, demi-permanent, and permanent hair colouring and lightening.

Credit unit(s): 4.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Describe theory and methods of basic hair colouring and lightening.			
2. Demonstrate hair colouring analysis and consultation.			
3. Demonstrate basic hair lightening and techniques.			
4. Demonstrate application of semi-permanent, demi-permanent, and temporary hair colour.			
5. Demonstrate application of permanent hair colour.			

HAIR 107 - Basic Hair Cutting

You will be introduced to the basic principles of cutting mechanics. You will gain an understanding of the use of hair cutting tools, angles, and the elevation of cutting techniques (in theory and in practical).

Credit unit(s): 4.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Describe elements of hair cutting, design and geometry.			
2. Describe hair cutting implements and basic haircutting movements.			
3. Perform fundamental hair cutting techniques.			
4. Perform long, medium, and short haircuts.			
5. Perform specialized haircutting techniques.			

HAIR 113 - Clipper Cutting Techniques

You will practice hair cutting techniques including clipper cut, shear/comb, and clipper/comb.

Credit unit(s): 2.0
Prerequisites: HAIR 100(concurrent), HAIR 107(concurrent)
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Explain clipper cut styles and techniques.			
2. Discuss facial and nape hair removal with a straight razor.			
3. Perform clipper cuts.			
4. Demonstrate facial and nape hair trimming.			

HAIR 114 – Basic Thermal and Wet Hair Styling

You will study techniques for thermal and wet styling and identify styling products and tools. You will demonstrate blow drying techniques, basic wet sets and thermal styling.

Credit unit(s): 3.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Identify hair styling products and tools.			
2. Identify wet and thermal styling techniques.			
3. Demonstrate blow drying techniques.			
4. Demonstrate wet sets.			
5. Demonstrate thermal iron techniques.			

HAIR 115 – Facial Hair Removal

You will study types of facial hair and their removal. You will demonstrate basic facial and nape hair removal and the appropriate safety procedures. You will demonstrate basic eyebrow shaping and straight razor hair removal.

Credit unit(s): 4.0
Prerequisites: none
Corequisites: HAIR 100
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss types of facial hair removal.			
2. Demonstrate basic eyebrow shaping.			
3. Demonstrate safety procedures for facial and nape hair removal.			
4. Demonstrate basic facial and nape hair removal.			
5. Demonstrate straight razor hair removal.			

PRAC 200 - Customer Service Practicum 1

You will become familiar with salon practices and gain experience in providing hairstylist services to clients under the direct supervision of an instructor. You will practice standards of salon professionalism and effective communication skills. You will identify principles of teamwork, quality customer service, practices and procedures, salon leadership skills, and conflict resolution strategies. You will practice basic haircutting skills, hair colouring skills, hairstyling skills, and basic facial hair skills. You will practice reception duties and retail functions for a salon. You will organize records, inventory, and a salon dispensary.

Credit unit(s): 8.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Demonstrate sanitation and safety procedures in a salon setting.			
2. Practice standards of salon professionalism.			
3. Identify principles of teamwork.			
4. Practice effective communication skills.			
5. Identify quality customer service.			
6. Identify salon practices and procedures.			
7. Identify conflict resolution strategies.			
8. Practice basic haircutting skills.			
9. Practice basic hair colouring skills.			
10. Practice basic hairstyling skills.			
11. Practice basic facial hair skills.			
12. Practice reception duties for a salon.			
13. Organize records and inventory for a salon.			
14. Practice retail functions for a salon.			
15. Identify leadership skills by managing a salon.			
16. Organize a salon dispensary.			

PRAC 201 - Customer Service Practicum 2

You will expand your experience and gain independence in performing hairstylist skills as you operate a salon under instructor supervision. You will adopt sanitation and safety procedures and practice standards of salon professionalism, practices, and procedures and identify a personal conflict resolution style. You will demonstrate teamwork, effective communication skills, and effective customer service. You will demonstrate basic haircutting skills, hair colouring skills, hairstyling skills, and basic facial hair skills. You will demonstrate reception duties, retail functions, and salon leadership skills. You will organize records and manage a salon dispensary.

Credit unit(s): 8.0
Prerequisites: PRAC 200
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Adopt sanitation and safety procedures in a salon setting.			
2. Practice standards of salon professionalism.			
3. Demonstrate teamwork.			
4. Demonstrate effective communication skills.			
5. Demonstrate effective customer service.			
6. Practice salon practices and procedures.			
7. Identify personal conflict resolution style.			
8. Demonstrate basic haircutting skills.			
9. Demonstrate basic hair colouring skills.			
10. Demonstrate basic hairstyling skills.			
11. Demonstrate basic facial hair skills.			
12. Demonstrate reception duties for a salon.			
13. Organize records and inventory for a salon.			
14. Demonstrate retail functions for a salon.			
15. Demonstrate leadership skills by managing a salon.			

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
16. Manage a salon dispensary.			

PRAC 202 - Customer Service Practicum 3

You will operate a salon and perform basic hairstylist skills with minimal instructor supervision. You will apply sanitation and safety procedures and demonstrate salon practices and procedures, conflict resolution techniques, and problem-solving. You will demonstrate effective client consultation and retention practices. You will independently perform basic haircutting, colouring, hairstyling, and facial hair skills to industry standards. You will perform reception duties and retail functions for a salon and apply leadership skills by managing a salon. You will manage records and operate a salon dispensary.

Credit unit(s): 8.0
Prerequisites: PRAC 201
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Apply sanitation and safety procedures in a salon setting.			
2. Perform standards of salon professionalism.			
3. Demonstrate effective client consultation.			
4. Demonstrate client retention practices.			
5. Demonstrate salon practices and procedures.			
6. Demonstrate conflict resolution and problem-solving techniques.			
7. Perform independent basic haircutting skills to industry standards.			
8. Perform independent basic hair colouring skills industry standards.			
9. Perform independent basic hairstyling skills industry standards.			
10. Perform independent basic facial hair skills.			
11. Perform reception duties for a salon.			
12. Manage records and inventory for a salon.			
13. Perform retail functions for a salon.			
14. Apply leadership skills by managing a salon.			
15. Operate a salon dispensary.			

SANT 108 - Sanitation, Safety and Hygiene for Hairstylists

Your studies will focus on safety as it relates to a hair salon, personal health, and sanitation. This course provides instruction in the study of bacteriology. You will also study relevant safety concerns such as fire safety, health risks and diseases.

Credit unit(s): 3.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss the medicine wheel.			
2. Discuss personal wellness.			
3. Discuss life skills and professional image.			
4. Demonstrate personal hygiene and grooming standards for hairstylists.			
5. Explain infection control.			
6. Demonstrate sanitation and safety procedures for hairstylists.			

SEM 100 - Hairstylist Professional Development

You will participate in a professional development experience to enrich your industry contacts, increase your product knowledge, and learn about the latest technology and techniques. You will demonstrate new techniques gained from this professional development experience.

Credit unit(s): 1.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Complete a professional development workshop.			
2. Demonstrate new techniques.			

WORK 104 - Work Placement Practicum

To help you in your final preparations for employment, you will spend one week in industry. You will have the opportunity to observe in the work environment and become familiar with the everyday customer relations and working schedules of a salon.

Credit unit(s): 2.0
Prerequisites: PRAC 201
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	<p>Competent</p>	<p>Learning</p>	<p>None</p>
<p>1. Demonstrate job search skills.</p>			
<p>2. Demonstrate professional behavior.</p>			

HAIR 105 - Chemical Waving

You will study and practice all aspects of chemically treating the hair either through permanent waving or chemical relaxing.

Credit unit(s): 3.0
Prerequisites: HAIR 100
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Describe the principles of chemical texture services.			
2. Distinguish chemical texture products.			
3. Calculate chemical formulations for relaxing hair.			
4. Perform permanent wave services.			
5. Perform chemical relaxing services.			

HAIR 108 - Specialized Hair Colouring and Lightening

You will focus on specialized colouring techniques with emphasis on the practical application of lightening and toning, creative lightening techniques and specialized colouring techniques.

Credit unit(s): 4.0
Prerequisites: HAIR 106
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Review theory and methods of hair colouring.			
2. Explain advanced lightening, toning, and special effects.			
3. Describe an effective hair consultation for advanced techniques.			
4. Demonstrate advanced hair lightening.			
5. Perform specialized colouring techniques.			

HAIR 110 – Advanced Hairstyling

You will pre-plan and perform an individualized hairstyle by analyzing the elements of design and suitability of a hairstyle to suit your client’s needs. The course expands on the basic mechanics of hairstyling to help you create special effects using specialized styling techniques.

Credit unit(s): 4.0
Prerequisites: HAIR 114
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Review history and culture of hairstyling.			
2. Demonstrate hair design principles.			
3. Perform hairstyles incorporating braiding techniques.			
4. Perform thermal styling techniques on short, medium, and long hair.			
5. Perform advanced specialized hairstyling techniques for short, medium, and long hair.			
6. Perform hairstyling in a competition.			

HAIR 111 – Advanced Hair Cutting

You will expand on basic hair cutting skills and the significance of hair in Indigenous cultures. You will apply drafting for customized haircuts and perform a style cut of your own design. You will perform style cuts for long, medium length, short, and very short hair.

Credit unit(s): 4.0
Prerequisites: HAIR 107
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss the significance of hair in Indigenous cultures.			
2. Apply drafting for customized haircuts.			
3. Perform style cuts for long hair.			
4. Perform style cuts for medium length hair.			
5. Perform style cuts for short hair.			
6. Perform style cuts for very short hair.			
7. Perform a style cut of your own design.			

HAIR 112 - Chemical Waving Artistry

You will expand on your skills in chemical texturing and discuss techniques for advanced chemical waving. You will perform wraps for short, medium, and long length designs.

Credit unit(s): 4.0
Prerequisites: HAIR 105
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Discuss techniques for advanced chemical waving.			
2. Perform wraps for short length designs.			
3. Perform wraps for medium length designs.			
4. Perform wraps for long length designs.			

HAIR 200 - Braiding and Hair Additions

The course is an introduction to the basic principles of hair braiding techniques. You will discuss the history of hair addition and the significance of braiding for Indigenous cultures. You will describe braiding tools and techniques and describe services for wigs and hair additions. You will perform hair addition services and braiding techniques.

Credit unit(s): 4.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

Use a checkmark (✓) to rate yourself as follows for each learning outcome		Competent	Learning	None
Competent:	I can apply this outcome without direction or supervision.			
Learning:	I am still learning skills and knowledge to apply this outcome.			
None:	I have no knowledge or experience related to this outcome.			
1.	Discuss hairstyle principles.			
2.	Discuss braiding and Indigenous cultures.			
3.	Discuss hair addition history and culture.			
4.	Describe braiding tools and techniques.			
5.	Describe services for wigs and hair additions.			
6.	Perform services for wigs, hair pieces, and hair extensions.			
7.	Perform braiding techniques.			

HAIR 201 - Journeyperson Practical Exam Preparation

You will demonstrate mastery in performing all hairstylist services. You will participate in a mock Journeyperson evaluation.

Credit unit(s): 1.0
Prerequisites: none
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Review exam components.			
2. Perform exam tasks.			
3. Evaluate exam results.			

HAIR 202 - Advanced Thermal and Wet Hair Styling

Building from Basic Thermal and Wet Hair Styling, you will identify advanced hair styling products and tools. You will demonstrate advanced wet sets, advanced drying techniques, and advanced thermal iron techniques.

Credit unit(s): 4.0
Prerequisites: HAIR 114
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Identify advanced hair styling products and tools.			
2. Demonstrate advanced wet sets.			
3. Demonstrate advanced drying techniques.			
4. Demonstrate advanced thermal iron techniques.			

HAIR 203 - Facial Hair Removal and Colour

You will study types of facial hair and their applications. You will demonstrate facial and nape hair removal, facial hair colour, and eyebrow shaping.

Credit unit(s): 4.0
Prerequisites: HAIR 115
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Identify types of facial hair.			
2. Demonstrate facial and nape hair removal.			
3. Demonstrate facial hair colour.			
4. Demonstrate advanced eyebrow shaping.			

PRAC 203 - Customer Service Practicum 4

You will operate a salon and demonstrate advanced hairstylist skills with moderate supervision of an instructor. You will apply sanitation and safety procedures and perform standards of salon professionalism as you demonstrate salon practices and procedures. You will demonstrate conflict resolution and problem-solving techniques, effective client consultation, and client retention practices. You will perform advanced haircutting, colouring, hairstyling, chemical texture, and facial hair skills to industry standards. You will perform reception duties and retail functions for a salon and apply leadership skills by managing a salon. You will manage records and inventory and operate a salon dispensary.

Credit unit(s): 8.0
Prerequisites: PRAC 202
Corequisites: none
Equivalent course(s): none

<p>Use a checkmark (✓) to rate yourself as follows for each learning outcome</p> <p>Competent: I can apply this outcome without direction or supervision. Learning: I am still learning skills and knowledge to apply this outcome. None: I have no knowledge or experience related to this outcome.</p>	Competent	Learning	None
1. Apply sanitation and safety procedures in a salon setting.
