K+S Potash Canada invests in SIAST

Donation recognizes SIAST as an “educational pillar”

April 15, 2013 – Tomorrow, K+S Potash Canada will announce a significant donation that will benefit students in several SIAST programs.

Media are invited to attend. Photo opportunities of students and equipment will be available.

Speakers include:
- Gerry Bonsal, SIAST Kelsey Campus director and master of ceremony
- Kim Poley, K+S Potash Canada, vice-president human resources and corporate services
- Dr. Larry Rosia, SIAST CEO and president
- Jamie Hilts, SIAST dean of Technology
- Heather Donahue, Mining Engineering Technology program student

Date: Tuesday, April 16

Location: SIAST Kelsey Campus,
Mining Engineering Technology Building, 55 - 33rd St., Saskatoon
Lab 113

Agenda:
11 a.m.  Presentation
11:15 a.m.  Tour of the Mining Engineering Technology building
11:30 a.m.  Lunch

Media are encouraged to attend.
