

NextGen Prior Learning Assessment and Recognition (PLAR):

Eligible Level 2 Courses

Level 2 Courses

- For each credit course, all identified micro-credentials must be completed in order to receive credit for one PLAR assignment.
 - For example, in ECE 108 both MCED 1030 and MCED 1063 must be completed in order to receive one PLAR assignment credit.
- Advance your knowledge – supplemental learning can help fill the gap between your existing knowledge and the needs of your role in the childcare environment.
