**NOTE: If we do not receive this completed form within 15 days of the date on your letter of acknowledgement, your application will be withdrawn.**

To finalize your application, you must indicate the clinical site to which you are applying.

You may choose only one clinical site. If you wish to apply to another site, you must submit another application with fee. (Note: This program uses our First Qualified/First Admitted method of admission. If you decide to apply to a second site, your second application will also qualify in the order received and considered complete).

Return the completed form to Saskatchewan Polytechnic Regina Campus with your application, or separately by mail, fax, or e-mail, as indicated above.
